

Summary of Qualification

Creative consultant architect with over 7 years of experience in the architecture field. Over these years, I have garnered extensive expertise in a range of projects such as commercial, medical, entertainment, and federal. I am trained with vast knowledge in the use of multiple software, strong design and construction documents, and a passion for visualizations and Concept Design. I can work hand in hand with lead architects, designing and coordinating projects between each discipline and clients. Bilingual, with Spanish as a native language, and proficient in English.
